John Iacoangeli, from Beckett & Raeder, was on hand to discuss the Parks & Recreation public input session held on January 16, 2008. Iacoangeli's firm has been chosen to do the update on the Parks & Recreation Plan. Once this plan is completed we will be able to apply for DNR funding and grants.

Iacoangeli handed out the results of the public session. Committee members read through the 26 pages making suggestions and comments. Iacoangeli also had a map of the township showing the natural areas, parks, trails and waterfront access that is currently in place in the township. Committee members were able to look this over and again make comments and suggestions. Iacoangeli will be back on Monday, January 28, 2008, to review corrections and changes with committee members. After all is in place there will be a thirty day review. Township residents may stop in and review.

The January 28, 2008, meeting will begin at 5:30 pm.
