

ACME TOWNSHIP SPECIAL BOARD MEETING
Torch Lake Township Hall
Torch Lake Michigan
Monday, May 13, 2013 10:00 am.

Meeting was called to Order by supervisor Zollinger with Pledge of allegiance

Members present: C. Collett, A. Jenema, G. LaPointe, C Dye, J. Zollinger
Members excused: P. Scott, D White
Staff present: None

A. LIMITED PUBLIC COMMENT: None

B. APPROVAL OF AGENDA:

Motion by Trustee Jenema, support by Trustee Lapointe to approve the agenda as presented.
Motion carried unanimously.

C. The tour started out by introductions of the Torch lake Township citizen team who put together the requirements to build their new Community hall, a combination Fire Hall and Township Hall . We split into two groups. Some starting in the fire hall area and the others starting in the Township work space. They actually built a fireproof storage room for Township records.

D. After the tour we spent time asking questions about various aspects of room size, kitchen space and whether built to commercial specifications (Would cost about \$50k more to meet commercial standards). We also ask questions about things they would do different, like Clerks space, where they located Mechanical equipment, space for Community Policing. We looked at how flexible their meeting space was, their installation of sound equipment and how the space could be used for elections with two precincts.

We thanked our host for the tour, they shared with Metro Fire Chief Pat Parker their building plans.

E. PUBLIC COMMENT: None

Meeting adjourned at 11:45 am
