**1. Fundraising:**

There was a lot of discussion on how we could raise money. Whiting had a clipping on the Traverse City Historical Society (TCHS) that they were selling calendars for \$10.00. The committee thought we could do that also. Kym's Corner in Elk Rapids does such projects so we will find out the cost. Someone will also purchase a calendar from the TCHS to see how it was done. Another way we talked of making money was by asking different businesses to put framed photos of Acme when it was young. We made a list of them. Plus we thought we would ask the Acme Business Association to help.

Thanks to two committee members, we received some monies toward more jeweled DVD cases and tapes for our camcorder. The interviews really help get more history plus leads to more history.

Getting the word out about our project was discussed. The Acme Township Newsletter is one. We are finding out the cost of mailing postcards which may have an old photo on the front asking for other photos or memories of Acme.
