Limited Public Comment:

Old Business:

1. Fundraising:

The committee had a discussion on fundraising and decided the first item to try to raise money will be a calendar. At the next meeting we will pick out the pictures for it. We decided to go with Kym's Corner for the printing. When the time comes to distribute the calendars, we thought of local businesses, farmer's market and maybe the gift shop at the Resort. Later on we want to have a logo contest and try to get a good prize for the effort.

The committee is also thinking of sending out postcards to the residents and we are thinking of adding an old picture to the front with this statement "Preserve our history to strengthen our future, so what is your story? The hope is to get pictures and more oral histories.

The committee made the schedule for the Heritage committee meetings which will be put on the Acme Township website.
