Public Comment:

G. LaPointe, Board Trustee commented about the recent “walk thru” at Bayside, with Olds, Acme Township Zoning administrator, Lennox and J. Iacoangeli, township planner. As a result of this meeting two resolutions will be presented at the June Board meeting for approval of professional services to conduct a topographic and boundary survey for Bayside and Bunker Hill Parks and to retain Beckett & Raeder to prepare a development land cost estimate for Bayside park improvements.

McDonough said the Beach Club closing is scheduled for Friday, May 31st. There will not be a closing on the 15’ strip for at least 30-60 days.
