B. Limited Public Comment

C. New Business:

Whiting commented on a recent article in the Elk Rapids New featuring a story on Mr. Terry Wooten. He did a four days process of teaching students how to do interviews and then the students were able to put into practice and do some actual interviews. From the interviews a book of poems and short stories was made. Whiting contacted Wooten and he charges \$325.00 a day for his services. The committee thought that was to expensive.

D. Old Business:

Galligan talked about equipment to be used for oral interviews. He recommended some digital equipment. He also talked about different microphones.

Dunville will be picking up the boxes from the historical society on Monday, January 23rd. They will be used to store Bertha Vos artifacts in.
