Limited Public Comment:

Old Business:

We discussed and chose the pictures for the calendar. Dunville will go to Kym's Corner next week and begin the process. She would like to have a sample copy to show the committee at the May meeting. It is our hope to sell them at local businesses when we have them done.

The Heritage committee is excited about how great it is to have our committee mentioned in the Acme Township E-Newsletter. Each publication has a picture from the Heritage Advisory picture collection with a brief history. We hope to get the word out that we would like more oral histories and pictures from the residents of Acme.

The new business discussed was the Junior Royale Parade. The advisory is thinking of participating as walkers.

We also discuss the budget for the Heritage advisory of the 2010-2011 fiscal years.

Whiting is composing a letter to present to the Board about the goals and activities of the committee.

A big thank you, Evie Huver, for the contribution of the external hard drive.

Our next meeting will be, Friday, May 7, 2010, at noon.

Adjourn 1:50 pm
