Re: VGT-Phase I SUP #2009-1P Review Status Update

On December 15, John Hull, Wayne Kladder, our planning consultant John Iacoangeli and his environmental consultant Dr. Chris Grobbel, our legal team and I met to review draft reports evaluating the application submitted by VGT prepared by John Iacoangeli and John Hull. The reports are being finalized as this memo is written, and we expect to turn them over to the application prior to the Planning Commission meeting on December 21. We will make these reports available to Planning Commissioners who request them. We anticipate a meeting between staff and applicants to discuss the report and next steps in January.
